, Approved For Release 2006/08/08 : CIA-RDP82-00457R011600240007-4 25X1 SECRETATONIROL/US OFFICIALS OHLY 25X1 25X1 Comment. only nine MiG-15s at Wittstock airfield. 25X1 25X1 the fighter . regiment at the field is now equipped with 32 jet aircraft including four type-29s. Comment. Recently, air activity in rather bad weather has been 25X1 observed occasionally at other fighter airfields. This fact indicates

progress in the status of training of the new fighter regiments.

Comment. Bombing by bomber units of the Northern Borr Div was observed in this area during the preceding year.
